

ABSTRACT

Patent of Invention: "A NON-RINSE COMPOSITION FOR COMBING HAIR, THAT IMPARTS LIGHTNESS TO HAIR"

5 The present invention discloses a no-rinse composition for combing hair, which imparts lightness to hair, leaving the, after brushing, with an appearance of loose hair, with well-shaped curls, clean, with an adequate volume and untangled, thus facilitating the combing.

10 The basic formulation of the no-rinse composition of the present invention comprises:

- (i) a thickener;
- (ii) a fatty alcohol + surfactant mixture at low concentration;

15 and it may further comprise:

- (iii) a cationic polymer; and
- (iv) a soluble or insoluble silicone.

The present invention also provides a non-rinse composition, with the following formulation:

- 20
- (i) a thickener; and
 - (iii) a cationic polymer.
